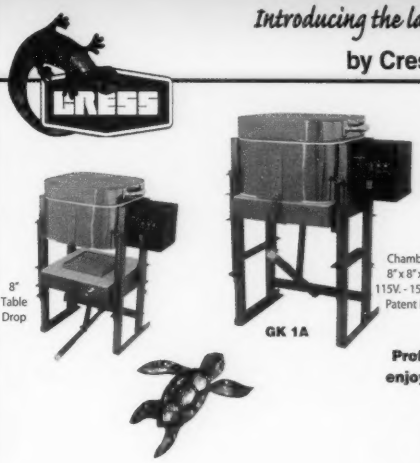
Introducing the latest innovation in Kiln technology
by Cress Manufacturing



This multitasking Power House from Cress Manufacturing is destined to be the Fuser's Dream. This little giant was originally designed for Karen Pester to hand form her animals while hot.

Chamber size: 8" x 8" x 6.75" - 115V. - 15 amps Patent Pending

Professionals and hobbyists alike will enjoy the ease of firing with the GK 1A.

The GK 1A versatile Drop Bottom Kiln makes many firing processes fast and easy:

Jewelry • Slumping • Raking • Vitrograph
Enameling - with super temperature recover time
Low fire ceramics • Raku
There is virtually nothing under 2000° this Kiln cannot handle
